MANUFACTURED BY THE BALTIMORE COMPANY, FORBES & CO., BALTIMORE, MD.

IT IS UNEXCELLED IN PURIFYING AND SWEETENING the atmosphere in ROOMS, HOSPITALS, VESSELS, SINKS, CESSPOOLS, PRIVIES, &c. A liberal discount allowed to the trade. Your attention is respectfully requested to the following testimonials:

BALTIMORE, Feb. 8th, 1866.

For an efficient and reliable Deodorizer and Disinfectant always ready for use, and not liable to any change, equally valuable in the sick room and in the foul sink, it has in my opinion no equal.

WILLIAM E. A. Aikin, Professor of Chemistry University of Maryland.

Dr. W. C. VAN HUBER, who made the report upon "Disinfectants" to the National Sanitary and Quarantine Convention of 1859, says of this article:

"It is the best deodorant of which I have any knowledge. It is perfectly adapted to the purpose. It is odorless itself, and it is easily kept and managed. It is a mixture of the best simple deodorizers known to science, and the experiments made with it prove the proportional combination to be a good one to effect the purpose intended."

For other distinguished testimonials see circular.

To the weak and emaciated this Medicine is particularly recommended as the most perfect Tonic and Invigorator the world has ever seen. The use of Dr. Warren's Bilious Bitters never fails to cleanse the system from all morbid and unhealthy secretions, to remove all impurities from the blood, and to restore the system to its normal state of health, and all complaints caused by Impure Blood, Obstructed Circulation, or an unhealthy state of the Stomach, Liver, Kidneys, and Bowels.

These irregularities are the cause of frequently recurring diseases, and through neglect the seeds of more grave and dangerous maladies are the result; and as month after month passes without an effort being made to assist nature, the difficulty becomes chronic, the patient gradually loses her appetite, the bowels are constipated, night sweats come on, and consumption finally ends her career.
